HUGS (Help, Understanding & Group Support) Card Making

HUGS serves families with children who have been diagnosed with any illness or disease that could rob a child of his or her life. The organization is the only one of its kind in the state that provides programs designed to improve the quality of life for families as they deal with the emotional and financial hardships of caring for a seriously ill child.

HUGS?

We would be making cards for the children for any occasion for them to use later.

(ex. birthday, Christmas, New Years, etc...)
